Build lasting relationships and help give a young person the experience of a lifetime!

COVID-19

The expectation is students will be fully vaccinated when they arrive in Canada. If necessary, an additional \$300 per student for the 14-day quarantine (to help cover any extra expenses) will be provided to host families for students who require quarantine. We have extensive safety protocols in place and all students who arrived in September 2021 successfully completed their quarantine.

We strictly follow all requirements, guidelines and protocols set out by the Federal and Provincial government at all times.
