## KIDS IN THE KITCHEN

### PRO-D DAY CAMP

### 7 - 12 yrs

Tap into your culinary creativity, and join us for Kids in the Kitchen Pro-D Day Camp! Campers will be introduced to the creation of a couple exciting dishes; learning the basics of food preparation, kitchen skills, healthy eating, and the fun of creating & enjoying their own cuisine. As long as your child comes to camp prepared with a snack, water bottle and breakfast in their belly, we will tackle the creation of our lunches, hands-on!

Does your child receive educational assistance at school? Would they benefit from one-on-one support within day camp programs?

To ensure your child has the best possible experience & receives the support they need within camp, families are encouraged to take the initiative in arranging additional support prior to program participation. The Supported Child Development Program through VIHA & Leisure Assistance Program facilitated by RIV are two fantastic options. Please refer to the respective websites of each organization for further details!
